Bahamas

For entrepreneurs and investors seeking a trusted Caribbean base, a Bahamas offshore company provides speed, certainty, and international recognition.

The Bahamas IBC is structured under the International Business Companies Act Of Bahamas, a framework that guarantees exemption from corporate income tax, capital gains tax, and withholding tax. This grounding in offshore law ensures that a Bahamas IBC remains one of the most predictable and secure offshore vehicles in the region. Incorporation is efficient, often completed within 24 to 48 hours, with electronic corporate documents issued immediately.

A Bahamas offshore company can be fully foreign-owned, faces no currency restrictions, and does not require local directors, making it ideal for global trade, asset protection, or wealth planning.
