Seychelles

Seychelles has built its reputation as one of the most practical international financial centers in the Indian Ocean. Today, thousands of entrepreneurs choose to register a Seychelles offshore company because of its efficiency, privacy, and tax-free environment. When you register a Seychelles IBC, you benefit from a structure with no corporate income tax, no capital gains tax, and no withholding tax on foreign profits.

A Seychelles company formation can be completed in 24–48 hours, with electronic documents issued immediately.

Investors can register a Seychelles company without local shareholders or directors, and there are no restrictions on currencies. The system is grounded in the Seychelles International Business Companies Act, ensuring that when you register a Seychelles IBC or register a Seychelles LLC, your offshore entity rests on a strong legal foundation.
